

NEW MEXICO SCHOOL FOR THE DEAF
PRESENTS...

A central illustration for the poster. It features a large, black, gothic-style title 'ALICE' in the center. Above the 'A', a blue caterpillar sits on a pink and green top hat. To the right, a hand in a suit sleeve points down towards the title, with a pocket watch chain hanging from the wrist. Below the 'I', a pink and purple striped umbrella is shown. The background is light purple with several playing cards (hearts, clubs, spades) floating around. At the bottom, a hand in a suit sleeve points up towards the title, and a teacup and saucer are visible in the bottom left corner.
