A Stocking Full of Love

By Keri-Lynn McBride

Every December, NMSD celebrates the holiday season with our much-anticipated Winter Variety Show. This year's student and staff performances included comedy acts, dances, ASL songs, theatrical skits, and all out merriment! In keeping with the school's annual tradition, the proceeds from the variety show are given to the Santa Fe New Mexican's Empty Stocking Fund at the Santa Fe Community Foundation. We are proud to donate \$547.27 which benefits individuals in need from the greater Santa Fe Community. NMSD students know the important giving to others and are always happy to make a difference in the greater community!

Wrapped with Love

By Kimm Wiens

In early December, Quota International of Santa Fe's annual wrapping project for the Street Outreach Program for homeless youth in Santa Fe took place. Club members gather a wide variety of donated items and this year's outpouring of generosity was amazing. Quota members, Street Outreach staff, New Mexico School for the Deaf students, staff and retirees all worked together to wrap the final packages. It is a beautiful and heartwarming community service project that brings holiday cheer to those who need it most.

Quota members, NMSD students, staff, retirees and Street Outreach staff wrapped seventy-two packages this year.
